

GREELEY IRRIGATION COMPANY
RESEARCH REGARDING SHARES AND DRY-UP COVENANTS
POLICY

Adopted June 24, 2021

Any requests concerning shares and dry-up covenants not covered under the current policies be provided subject to the following: (1) for any research, one hour of the Secretary's time would be provided at no charge, with any time after that charged at the established administrative fee rate, currently at \$105 per hour; (2) any attorney and/or engineer fees incurred would be billed; (3) attorney, engineer, and administrative fees would be due whether or not the matter proceeded; (4) no transfer would be made until all amounts due have been paid; and (5) no water would be delivered until all amounts due have been paid.
